

July 2010

Having indicated last month that the Catfish are g-r-o-w-i-n-g both in size and numbers Jimmy Edge has revisited and reset the bar with 4 x 40lbs+ "Catch".

His extended day/night session during July included:

- 44lbs (18th)
- 42lbs (19th)
- 42lbs (20th)
- 43lbs (24th)

See one of Jimmy's 40's above where "worm" proved to be the successful bait. Carp to 25lbs caught by Gary Hilton also made a showing rounding off a memorable visit by the Bolton Team.
